Sand Mining will be a disaster for Residents
of Willow Road and El Monte Road. The wells
will be adversely effect if not entirely drained.
Trucks on El Monte Road will be very dangerous.
The Road is not meant to handle heavy traffic.
Trucks of that volume going past The High School
added to the Barona traffic will be impossible
and a tragedy waiting to happen. These Roads
are already overburdened. IF damage is done
To our wells we will take legal action.
